

BANK DRAFT – Checking Account

Pineville Electric Company & Pineville Communication Systems

Pineville Electric Company & Pineville Communication Systems is proud to offer bank draft of your monthly electric and/or telephone bill, providing you with a simple, convenient way to pay your bill. With gas prices skyrocketing and the cost of a postage stamp increasing, why not try free bank draft?

When you sign up for bank draft your account will be drafted on the **10th** of each month.

Signing up for bank draft is easy. Simply fill out the short application below and send it in along with a voided check in your monthly electric and/or telephone bill. We must receive your bank draft authorization by the last day of the month to start bank draft the following month.

For Example, if you want bank draft to begin for your July bill, we must receive your application by June 30.

Please note: Only customers with a history of good credit are eligible for bank draft. Any draft returned by the bank because of insufficient funds or a closed account will be treated as a returned check and the customer will be terminated from the bank draft program.
